MAY 2019 NEWSLETTER

President's Report,

I trust that you all had an enjoyable Easter and Anzac Day

My report this month is brief as I have itemised the topics presented by the guest speakers, Sarah and Kris from Microsoft regarding innovations and updates. What you can access on your screen are settings where you can delete unwanted history and cookies, you can alter your desktop default image, change your pointer size, alter screen magnification, alter text contrast, put in colour filters, activate audio, explore features in WORD and OFFICE, explore updates and the use of dictation. If you have any questions, we plan to have a Q and A session in June. Let our tutors know your interest at the Monday the 20th meeting so they can prepare your answer then.

Vale Jim Jacobs

It is with sadness we announce the passing of Jim Jacobs on the 10th March. Jim was a foundation member and past president of the computer club. He set up and ran a hardware interest group which is still running under the name computer explorer's group. His interest in computers covered a wide range of devices. His contribution to the club over many years was extraordinary and he greatly encouraged members to continue their knowledge in computer use.

In Loving Memory James "Jim" Arthur Jacobs 8th April 1928 - 8th March 2019
